**YMCA Camp St. Croix Outdoor Adventure Summer Program**  
River Crest Elementary

- ◆ Serving youth entering grades K-6 in the Hudson School District
- ◆ Activities and fun-filled outdoor adventures all summer long!
- ◆ A combination of programming both at River Crest Elementary and YMCA Camp St. Croix.
- ◆ More activity focus on nature and a variety of outdoor activities, with incorporation of the YMCA four core values; honesty, caring, respect, and responsibility.
- ◆ Staffed by YMCA Camp St. Croix; trained, experienced and caring staff.

**The Difference between  
Outdoor Adventure Summer Program  
and Camp St. Croix's DayCroix Program:**

Like DayCroix, the Outdoor Adventure Summer Program will have an emphasis on outdoor activities and environmental learning. What's different is that participants will spend only a portion of the day at camp and will not participate in all camp activities during the course of a week. We encourage Outdoor Adventure participants to supplement their summer with a week or two of DayCroix in order to get the full camp experience! Please visit [www.campstcroix.org](http://www.campstcroix.org) for more information or call camp at (715) 386-4380.
